

School Grant Proposal Form

Name:	School:
	School City:
Date submitted:	Contact phone:
	Contact email:
Brief description of project/program:	
Target audience for project/program (be as specific as possible – grades, how many students, how many schools, etc.):	
What is the desired outcome? How would you know if the project is successful?	
When would project start?	
When would project end?	
What amount of funding will be needed? \$	
If not stated in program/project description, what expenses would funding cover? Are there other costs related to this program/project, which would be covered in another way (i.e., current staff, in-kind donations, currently budgeted expense)?	
How does this program/project help meet your school educational goals, and, technology plans (if applicable)?	
Has this program/project been approved by the school principal?
